We Won! Wages and Respect for Our Work

We won raises for everyone and improved respect for work we do and the shifts we work on. Now we need to unit our voices behind the agreement our team won. Come vote on our tentative agreement for wage increases and other improvements. Our Bargaining Team unanimously recommends a "Yes!" vote.

"Our bargaining team is unanimous in recommending a yes vote on our tentative agreement! I'm very excited about our wins and am sure everyone will be happy! So come to a vote meeting and hear all about the wage increases that we won for everyone at DESC!"
