We are Voting for Better Patient Outcomes and a Strong Contract

Together, we are taking actions as union to improve the lives of our patients and our families. We know that our patients, families and the community rely on us, the frontline staff of Highline, so we need to stand for a contract that brings higher quality patient care to the community and to our patients.

That's why hundreds of filled out bargaining surveys about what matters most to us. Now we are coming to vote meetings to make sure we go into bargaining with the right priorities. Your voice counts.

"Everyone needs to come and vote because every voice counts. We are all stakeholders. Negotiations start soon and we the negotiations team are asking for your support and guidance. Come vote!"

Sara Moallin, RN, FCBC (Right)

"We all have to participate to get a better contract- This is how we take action and make our interests turn into reality. Come vote on May 7!"

**Jenny Carter,
Sterile Processing Tech, SPD**

We get two or three 15 minute breaks and a 30 minute lunch break and can come vote during any of those times and at shift change or a day off.

Stop by and make your voice count.
