

We Did It!

Our unity worked in support of our most vulnerable staff to win quality healthcare and raises that help us keep staff and fill positions! Our bargaining team has reached a tentative agreement with management on our 2021 contract at DESC.

Our bargaining team is unanimously recommending a **YES** vote. Now it is up to all of us to have a say! Come to one of our vote meetings to learn what we won and vote on our new contract.

"This contract will be a huge win for our wallets, purses, couch cushions, or wherever else you keep your hard-earned money. We didn't have to back down on our insurance, either! We are strong together and together we can ratify this contract. I will be getting out to vote so that my co-workers get the raise they deserve. Vote with me!"
-Ryan Dolan, BHCM CSC

"This tentative agreement validates all of the hard work! Come to a vote meeting to make your voice heard and secure our future at DESC."
