

SEIU COMMUNITY COVID-19 VACCINATION EVENT

Essential workers like us have been on the front lines of COVID-19. Taking the coronavirus vaccine is an important step to stopping the spread of the virus.

This May Day, SEIU locals in Washington state are offering a free vaccine clinic for us and our family members.

LOCATION: SEIU LOCAL 6

3720 AIRPORT WAY S, SEATTLE, WA 98134

PARKING ON SITE | METRO BUS: ROUTE 124 |

LINK LIGHT RAIL: SODO STATION

DATE: MAY 1, 2021

TIME: 9 A.M. - 5 P.M.

All participants will be able to get COVID vaccine questions answered by other SEIU union members in their spoken language or with interpretation.

No pressure, just information!

Sign up for a vaccine appointment for yourself or family members here:

<https://1199nw.org/3v4cPwe>

The COVID-19 vaccine is provided at no charge. Participants will receive one dose of the Pfizer or Moderna vaccine, and will get an appointment for the second vaccine dose at the same site.

No I.D. required. Open to all regardless of immigration status.

Masks and social distancing required.

(Scan this code with your phone camera to sign up!)

Presented by SEIU Washington State Council, SEIU Healthcare 1199NW, SEIU 925, SEIU 775, and SEIU6 in partnership with Public Health Seattle-King County
