

**OUR BARGAINING TEAM IS RECOMMENDING
A YES VOTE ON OUR NEW CONTRACT!
VOTING BEGINS WEDNESDAY, OCTOBER 27**

We have built incredible power together as coworkers during this contract negotiation and we have achieved the best contract we've won in a very long time. It is because we have stood together united in action and have led with our values that we are able to vote on our new tentative agreement with UW Medicine. We've worn stickers, marched on administrators, stood together at unity breaks and had our largest picket ever.

Our bargaining team is excited to share with you the details of our agreement. Each of us has a responsibility to bring our voices to this decision. Join members of the bargaining team to hear what our hard work and unity have accomplished.

Your Bargaining Team is proud to bring you a contract that respects and rewards ALL of us! There are so many positives in this contract that it is difficult to list them all. The Bargaining Team unanimously recommends that our membership votes YES! to ratify this contract. Come out and VOTE YES!

Judy Sohl, MA-C, Ballard Sports Medicine Clinic

“United we achieved what we deserved. Better staffing, retention bonus, incentive pay, staffing committee with staff representing themselves. Unity pays off! We now have a contract that values us all. We are proud of what we achieved, this is the most money ever. Come this week to vote on the new contract.”

TJ Drammeh, CNA, Medical Unit

Our Bargaining Team

Primary Care Woodinville Clinic	Kim Williams	Medical	Tijan Drammeh (TJ)
Sports Medicine Clinic	Judy Sohl	Echocardiography	Giang Cao
