

Come help us build out our bargaining priorities!

We’re moving into bargaining our next contract and we need everyone’s input on our bargaining priorities. The bargaining team has put together a list of bargaining priorities and is presenting them for everyone to vote on at short meetings next week. We need everyone’s input. Attending a meeting is the only way to be able to vote on these proposal ideas and let the bargaining team know whether we’re moving in the right direction!

Fill out a report card for your supervisor!

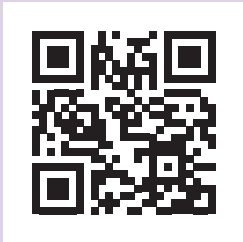

At the meetings, we’ll also get a link to a report card that we can fill out for our supervisors. Be sure to attend to get the link and report on how your supervisor is doing!

We will be meeting via Zoom next Wednesday and Thursday

You’ll find the times for the meetings listed below. All meetings are only 15 minutes long. Register to attend at <https://1199nw.org/3fP2vCt> to receive the Zoom meeting link.

Pick a time below to attend a meeting where you will:
