

United to take action at Good Sam: We are picketing!

Last week we delivered our informational picket notice to management! After seeing barely any movement from management at the bargaining table, we're ready to make our voices even louder for a quality contract that pays us our worth, prioritizes our safety, and keeps up with other MultiCare area hospitals.

Mark your calendar for our informational picket at Good Sam:

When: Thursday, December 15, 3 - 6:30 pm
Where: Meridian between 14th and 15th St.

Sign up here if you have not done so!

"We are standing up to MultiCare. We took an action vote to picket, now it's time to walk the talk. We must show MultiCare we are united in our message. Stop being an average employer. Lead the way and invest in your employees. We will not back down!" - **Grace Land, Sterile Processing**

"It is time to show up for yourself and your colleagues. Your presence shows Good Samaritan that we are serious about not accepting their unacceptable offer. Numbers show unity, our unity terrifies them." - **Annette Augustine, OR**

How does it work? What is an informational picket?

An informational picket means we march, chant and show our unity outside the hospital with our community - publicly holding MultiCare accountable to us and our patients.

On the day of the picket, we report to work and take care of our patients; we come together outside the hospital to picket and rally on our lunch, 15-minute break, before or after our shift or on our day off. It's our one day to show MultiCare the power of our unity. On picket day, we bring our kids, families, friends and pets!
