ARTICLE 1: RECOGNITION

KVH recognizes the Union as the sole and exclusive representative all full-time and regular part-time, casual / per diem and non-supervisory employees employed by KVH through Klickitat Valley Hospital, and Hospice and the Family Medicine Clinic, excluding supervisors, managers, confidential, temporary, agency, billable providers, and employees eligible for interest arbitration.

ARTICLE 2: UNION MEMBERSHIP

2.1 Membership

Employees may elect to become members of the union by authorizing dues. All employees in positions in a bargaining unit, regardless of membership, are subject to the terms and benefits of the collective bargaining agreement. Pursuant to RCW 41.56.037, a representative of the Union shall be allowed a minimum of thirty (30) minutes during each regularly scheduled new employee orientation for the purposes of presenting information about the Union and the collective bargaining agreement. Employee attendance at the Union's presentation is voluntary and shall be counted as regular working hours if attended. The Employer shall provide the Union with at least seven (7) days' notice of any orientation and send an electronic list of expected participants, including name, department, phone number, and job title, at least forty-eight (48) hours in advance of the orientation. The Union may conduct a make-up session once per quarter onsite and during new employees' regular working hours for employees who were unable to attend in-person new employee orientations.

2.1.1 Religious Objection

Any employee who is a member of and adheres to established and traditional tenets or teachings of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting labor organizations shall not be required to join or financially support the Union as a condition of employment. Such an employee shall, in lieu of dues and fees, pay sums equal to such dues and fees to a non-religious charitable fund. These religious objections and decisions as to which fund will be used must be documented and declared in writing to the Union. Any employee exercising their right of religious objection must provide the Union with a receipt of payment to an appropriate charity on a monthly or mutually agreed upon basis.

2.1.2 Hold Harmless

The Union will indemnify and hold KVH harmless from all claims, demands, suits or other forms of liability, including attorney's fees, that

may arise against KVH for or on account of any action taken by KVH to terminate an employee's employment pursuant to this Article.

2.2 Dues Deduction

During the term of this Agreement, KVH shall deduct dues from the pay of each member of the Union who voluntarily authorizes such per RCW 41.56.110. The employee's written, electronic, or recorded voice authorization to have the employer deduct membership dues from the employee's salary must be made by the employee to the union. Once filed with KVH, the authorization form will be honored in accordance with its terms. The amount deducted and a roster of all employees using payroll deduction will be promptly transmitted to the Union by check payable to its order. Upon issuance and transmission of a check to the Union, KVH's responsibility shall cease with respect to such deductions. The Union and each employee authorizing the assignment of wages for the payment of Union dues hereby undertakes to indemnify and hold KVH harmless from all claims, demands, suits or other forms of liability that may arise against KVH for or on account of any deduction made from the wages of such employee.

2.3 Bargaining Unit Rosters

Upon the signing of this Agreement by both parties, and quarterly thereafter, KVH will provide the Union with a list of names, employee numbers, employment status, FTE, date of hire, job classification and the rate of pay of those employees covered by this Agreement. KVH will work with the Union to provide this information in a mutually agreeable format. KVH will send a list of any new hires, terminations, and retirees monthly to the Union.

2.4 Voluntary Political Action Fund Deduction

KVH shall deduct the sum specified from the pay of each member of the Union who voluntarily executes a political action contribution wage assignment authorization form. When filed with KVH, the authorization form will be honored in accordance with its terms. The authorization form will remain in effect until revoked in writing by the employee. The amount deducted and a roster of all employees using payroll deduction for voluntary political action contributions will be promptly transmitted to the Union by a separate check payable to its order. Upon issuance and transmission of a check to the Union, KVH's responsibility shall cease with respect to such deductions. The Union and each employee authorizing the assignment of wages for the payment of voluntary political action contributions hereby undertakes to indemnify and hold KVH harmless from all claims, demands, suits or other forms of liability that may arise against KVH for or on account of any deduction made from the wages of such employee.

The parties recognize that the Union is obligated under the Federal Election Campaign Act (FECA) to reimburse KVH for its reasonable cost of administering

the COPE check-off in the parties' Collective Bargaining Agreement. KVH and the Union agree that one-quarter of one percent (.25%) of all amounts checked off is a reasonable amount to cover KVH's costs of administering this check-off. Accordingly, the parties agree that KVH will retain one-quarter of one percent (.25%) of all amounts deducted pursuant to the COPE check-off provision in the parties' Collective Bargaining Agreement to reimburse KVH for its reasonable costs of administering the check-off.

ARTICLE 3: UNION REPRESENTATION MATTERS

3.1 Access to Premises/Meeting Rooms

Union representatives may have access to available meeting rooms at reasonable times up to two (2) hours at a time upon no less than three (3) days advance written notice (using Room Requisition Form) for union related business, including investigating grievances. If access is sought for the discussion of an immediate disciplinary matter, KVH will make an office or other location available if a meeting room is not available. Union representatives shall not have access to employees' lounges or patient care areas unless advance approval has been obtained from KVH. Access to KVH's premises shall be subject to the same general rules applicable to other non-employees and shall not interfere with or disturb employees in the performance of their work during working hours and shall not interfere with patient care or the normal operation of the hospital.

3.2 Bargaining Unit Delegates

The Union shall designate its officers, delegates, and alternate delegates from among employees in the unit. The officers and delegates shall not be recognized by KVH until the Union has given KVH notice of the selection and their scope of authority. Unless otherwise agreed to by KVH, the investigation of grievances or other business shall only be conducted during non-working times, in non-patient care areas and shall not interfere with the work of other employees, patient care or disturb patients or the normal operation of the Hospital. Meal and rest breaks are not considered working time.

Subject to appropriate advance notice and scheduling requirements, a delegate or designee/officer will be allowed one quarter (1/4) hour of unpaid time during the regularly scheduled new employee orientation to introduce newly hired employees to the Union and the Union contract, although, at the delegate or designee/officer's discretion, PTO time may be used. Subject to appropriate advance notice and scheduling requirements, Union officers, delegates and contract committee members may request unpaid time off work of one (1) shift per calendar year of educational leave time to attend Union-sponsored training in leadership, representation and dispute resolution, although, at the delegate or designee/officer's discretion, PTO time may be used.

Each year union officers or delegates, not to exceed five (5) persons in any calendar year, shall be allowed to attend one (1) day union sponsored training program. Designated employee must make a request for time off at least fifteen (15) days prior to the posting of their work schedule and identify the union sponsored training program. Time off shall be subject to scheduling requirements of the employee's department. Designated employees shall be compensated at their base pay rate for the day of attending the program, only once during the term of this agreement. If the employee is not eligible to be compensated, the employee may use PTO or be in an unpaid status.

When an employee requests a Delegate's presence at an investigatory meeting that the employee reasonably believes could lead to discipline or at a grievance meeting, unpaid time off work will be authorized for the Delegate, although, at the Delegate's discretion, PTO time may be used. If the Delegate requested by the employee is not available at the time or because of patient care concerns cannot be present, the meeting will not be unduly delayed and one of the other Delegates will be called to be present. If KVH requests the presence of a Delegate at an investigatory or grievance meeting, the Delegate will be paid for that time.

3.3 Bulletin Board

KVH will furnish a bulletin board in the Hospital, Family Medicine Clinic and Home Health and Hospice for the use of the Union. The Union shall be permitted to post Union notices relating to general Union activities on bulletin boards designated by KVH. Union Bulletin boards will be maintained by delegates/officers of the Union. A copy of such notices will be provided before posting to the Human Resources Department. All postings must be in compliance with KVH's non-discrimination or harassment related policies.

3.4 Contract

KVH will give each current employee and newly hired employee a copy of this Agreement and notice of Union membership provisions. Additional copies of this Agreement shall be available in Administration. The Union will provide sufficient copies of the Agreement for such distribution.

Provided, however, KVH reserves the right to discharge any employee for unsatisfactory performance based upon reasonable related established job criteria, to expect reasonable overtime work of employees; and to unilaterally implement new, revise or terminate wholly or in part, old methods, procedures, policies, rules, materials, equipment, facilities and standards.

4.3 Exercise of Rights

The parties recognize that the above statement of management rights and responsibilities is for illustrative purpose only and should not be construed as restrictive or interpreted so as to exclude those prerogatives not mentioned which are inherent to the management function. All matters not covered by the language of this Agreement shall be administered by KVH on a unilateral basis. KVH's failure to exercise any right, prerogative or function reserved to it, or KVH's exercise of any such right, prerogative or function in a particular way, shall not be considered a waiver of KVH's right to exercise such right, prerogative or function or preclude it from exercising the same in some other way not in conflict with the express provisions of this Agreement.

ARTICLE 5: EMPLOYMENT PRACTICES

5.1 Non-Discrimination

Neither KVH nor the Union shall discriminate against any employee in the bargaining unit in violation of applicable Federal and State Law on the basis of race, color, national origin, citizenship status, creed, religion, sex, age, marital status, disability, sexual orientation, union membership or activity or veteran, military status or legally protected class. Neither KVH nor any bargaining unit employee shall in any way discriminate against any employee.

5.3 Discipline and Discharge

- 5.3.1 No employee shall be disciplined or discharged except for just cause. An employee who has received a written disciplinary notice or been suspended without pay or discharged without just cause is entitled to appeal such action through the Grievance Procedure.
- 5.3.2 The parties agree that discipline generally should be progressive in nature, according to the following pattern: verbal warning, written warning, unpaid suspension, and discharge. The parties agree that the particular discipline given will depend on the seriousness of the action.
- 5.3.3 A copy of all written disciplinary actions shall be given to the employee. Employees shall be required to sign the written disciplinary action for the purpose of acknowledging its receipt. Employees shall have the right to review and comment on letters of warning and performance evaluations currently in their personnel file and to request removal of warning notices after one (1) year, if no further written disciplinary action for the same reason has occurred during this one (1) year period . Removal shall be at the discretion of the Employer. Written warnings and suspensions shall expire after three (3) years for the purpose of determining any future progressive discipline. Such discipline, however, shall remain in the employee's personnel file. In addition, KVH shall have the right to disregard the forgoing expiration period where the employee has demonstrated a recurring pattern in the progressive disciplinary process.
- 5.3.4 An employee may request the attendance of a Union delegate during any investigatory meeting which may reasonably lead to disciplinary action.

5.4 Personnel File

Employees will be granted access to view the contents of their personnel file electronically via Employee Self Service in Paycom. Employees shall have the right to comment on disciplinary actions and performance evaluations in their Personnel File.

5.5 Evaluations

Employees will be evaluated prior to completion of the probationary period and annually thereafter. Upon request, the employee will be given a copy of the evaluation. Employees will be given the opportunity to provide a written response to the evaluation, which will be retained with the evaluation in the employee's personnel file. Performance evaluations or performance improvement plans are not considered disciplinary action and are not subject to the grievance procedure.

5.6 Job Openings

5.6.1 All vacancies and new positions in the bargaining unit shall be posted internally for a period of seven (7) calendar days. Postings shall include job title, qualification, status, shift and rate of pay. External applicants can be sought during the same time period, however internal applicants will be considered first. If there are internal applicants, KVH will offer the vacancy to the employee who, in the sole determination of KVH, is the most qualified based upon skill, competence, and ability. Interviews will not be conducted prior to the posting period. In the event that there are two or more qualified internal employees, as determined by KVH, the employee with the greater seniority will be offered the position. If KVH determines that no internal applicant is qualified, KVH may post for and hire from outside applicants. Employees may not bid out of their current position within the first 90 days of employment unless otherwise approved by the department manager(s) in consultation with Human Resources.

5.6.2 When notice is provided to the Employer that a FTE will be permanently vacated the Employer will post the same FTE no more than two (2) weeks after the notice or the position being vacated. If there is a delay in posting a replacement position of more than two (2) weeks, the department manager will communicate with the employees in the affected job class the reason for such delay.

The probationary period may be extended for up to one (1) additional thirty (30) calendar days. KVH will notify the

employee in writing of areas requiring improvement within the initial thirty (30) calendar days of employment. Prior to extension KVH will notify the employee of areas needing improvement. If the employee does not successfully complete the review period, the employee has the option of returning to the prior department if there is an open position provided there are no documented performance concerns.

5.7 Parking

Employees should park in designated employee parking areas when possible. If parking is not available, street parking is available within one block of the hospital campus. Employees may not park in designated patient parking area however while on-call or working night shift, employees may use patient parking near the facility and lighted doors. KVH will make a bike rack available to employees.

5.8 Contracting Out

KVH agrees to give at least sixty (60) days' notice to the Union prior to any decision to contract out or signing a contract which will result in the elimination of positions for the majority of employees in a department or facility. Upon request by the Union, within ten (10) days notice to the Union, KVH agrees to meet to discuss the effects of the decision and consider the feasibility of creating and/or implementing alternatives to the contracting that would satisfy its primary business needs.

In the event KVH decides to contract out a service which will result the elimination of a department or facility, KVH will make a good faith effort to obtain preferential hiring opportunities with the contracting entity for affected employees as an alternative to exercising layoff related rights under the collective bargaining agreement. Preferential hiring commitments include first consideration over other qualified candidates for positions created as a result of the contract and favorable treatment of such employment conditions as credit for seniority, PTO accruals, and health benefits.

ARTICLE 6: DEFINITIONS

Casual employees shall not be used before first offering available hours to full-time and regular part-time employees who have submitted a written request for additional hours to their department supervisor, subject to the provisions of the next sentence. KVH has the right to assign Casual employees to work additional hours, if assigning additional hours to full-time or regular part-time employees would result in overtime or there are no written requests from full-time or regular part-time employees requesting additional hours. Casual employees who do not work for six (6) or more months and have not provided their availability may be automatically removed from the books. Any employee holding a casual secondary job code may not be subject to this article.

6.4.2 Casual employees shall not be used before first offering available hours to full-time and regular part-time employees who have submitted a written request for additional hours to their department supervisor, subject to the provisions of the next sentence. KVH has the right to assign Casual employees to work additional hours, if assigning additional hours to full-time or regular part-time employees would result in overtime or there are no written requests from full-time or regular part-time employees requesting additional hours.

ARTICLE 7: HOURS OF WORK

This Article defines the normal hours of work per day or per week in effect at the time of execution of this Agreement and establishes the basis for calculation of overtime. It is not a guarantee of a minimum number of hours of work per day, work period, month or year, and it is not intended to establish a right to compensation in any form for time not worked, unless specifically set forth in this Agreement.

7.1 Work Week Period

The basic work period shall consist of forty (40) hours of work in a designated seven (7) day period.

7.2 Work Period

Work periods shall consist of:

7.2.1 For employees scheduled to work eight (8) hour work periods, the basic work day shall consist of eight (8) hours' work to be completed within eight and one-half (8 ½) consecutive hours.

7.2.2 For employees scheduled to work ten (10) hour work periods, the basic work day shall consist of ten (10) hours' work to be completed within ten and one-half (10 1/2) consecutive hours.

7.2.3 For employees scheduled to work twelve (12) hour work periods, the basic work day shall consist of twelve (12) hours' work to be completed within thirteen (13) consecutive hours.

7.2.4 Scheduling Work Periods: After the date of the ratification of this contract changes to an employee's work period may be established by agreement between the hospital and individual employee or a group of employees within a particular unit or department taking into consideration such factors as employee interest, patient care needs, turnover and vacancy rates, the use of overtime and agency employees and employee morale. The process may be initiated by either the employee or the Department Director. If the participating employee(s) and their Director agree upon a new work period, it will be reduced to writing and submitted to the Human Resources Director for approval. If approved by the Human Resources Director, a written copy of the agreement will be given to the Union. With thirty days (30) notice KVH may change an employee's work period to an eight (8) hour work period, however for all other periods, KVH and the employee must mutually agree before reverting back to a previously scheduled work period. The Hospital has the right to designate for new hires their work period.

7.3 Shift Rotation

Routine shift rotation is not an approach to staffing endorsed by KVH. Except for emergency situations where it may be necessary to provide safe patient care, shift rotation will not be utilized without mutual consent. If such an occasion should ever occur, volunteers will be sought first. If no one volunteers, KVH will rotate shifts on an inverse seniority basis until the staff vacancies are filled.

7.4 Work Schedules

If the fifteenth (15) falls on a Saturday, the schedule shall be posted by the fourteenth (14) and if the fifteenth (15) falls on a Sunday, the final schedule shall be posted by the sixteenth (16). Final schedules shall not be posted more than one month in advance.

- 7.4.1 Changes in Work Schedules. It is recognized and understood that deviations from normal hours of work and changes in work schedules may occur from time to time, resulting from several causes, such as, but not limited to, vacations, leave of absence, weekend and holiday duty, absenteeism, employee requests, temporary shortage of personnel, low census and/or other emergency conditions. KVH retains the right to adjust hours of work and work schedules to maintain a safe, efficient, and orderly operation. Changes to the posted work schedule shall be communicated directly to the employee, preferably in person or by telephone, or by written communication or KVH e-mail, up to 3 days prior to the change.
- 7.4.2 Any request by an employee for PTO or scheduling outside of the regular work schedule must be submitted to the Department Director in writing no later than fourteen (14) calendar days prior to the issuance of the monthly schedule, unless mutually agreed otherwise.
- 7.4.3 Only Department Directors, Supervisors, or designated employees are authorized to change work schedules.
- 7.4.4 Employees who wish to trade a particular shift must submit a written request to the Department Director within three (3) business days of the requested trade, or if mutually agreed otherwise. Such request may not be authorized if it would result in overtime or if it would result in shifts not covered, or if in the judgment of KVH, such trade would result in an unbalanced mix of skill levels during any one shift.
- 7.4.5 Employees who have unexpected PTO requests after the issuance of the monthly schedule, may be required to arrange for their own coverage and submit a written request to their direct supervisor within three (3) business days of the requested time off unless mutually agreed otherwise. Such request may not be authorized if it would result in overtime or if it would result in shifts not covered, or if in the judgment of KVH, such trade would result in an unbalanced mix of skill levels during any one shift.

7.5 Overtime

Statutory overtime will be paid at 1 and ½ (1 ½) times the regular rate of pay for all hours actually worked over forty (40) in the work week period, as designated by KVH. Employees who are on a 12/36 work rule will be paid overtime daily after 12 hours and after 36 hours weekly. Time paid but not worked shall not

count as time worked for purposes of computing overtime pay. All overtime is subject to approval of the supervisor prior to being worked. There shall be no pyramiding or duplication of overtime pay or other premium pay.

Overtime within a department shall be made available to employees on an equitable basis and rotated among volunteers based on seniority. Preference shall be given to Employees of KVH volunteering for overtime before offering overtime to agency employees.

7.6 Additional Hours

Subject to scheduling requirements and the qualifications required of the task to be performed, regular employees who notify their supervisor in writing that they want extra hours within their classification and department shall be given an opportunity to work extra available shifts prior to calling in per diem employees. Additional hours will only be assigned if the employee is able to work the hours on a straight time basis without incurring overtime. Seniority shall also be terminated if an employee is laid off and not reinstated for more than the time periods specified in this Article.

9.3 Low Census

Low census is defined as a decline in patient care requirements or workload in a particular department resulting in a temporary staff decrease. During temporary periods of low census, KVH will first ask for volunteers within the job position to take time off before determining and implementing the reduced staffing schedule required. In the event there are no volunteers, KVH will endeavor to rotate low census equitably among all employees on the shift starting with the least senior employee first, providing skills, competence, ability and availability are considered equal as determined by KVH. Employees who are released from work for their entire shift during temporary periods of low census may be placed on standby status if required by KVH. Employees who are placed on low census standby may have up to 1 hour to return to work upon callback.

During temporary periods of low census, employees within a job classification in a department and shift will be released from work in the following order:

- (a) Volunteers
- (b) Agency/Travelers
- (c) Employees on overtime status
- (d) Per Diem employees
- (e) Employees scheduled to work extra shifts above their FTE
- (f) Regular full-time and part-time employees. Preceptors and employees who are being precepted will not be subject to low census.

If an individual volunteers to take a low census day off, that day shall be counted for purposes of the departmental rotation list. Employees who are subject to low census may use accrued PTO and such time will count in the low census rotations. Employees who receive on-call pay, may elect to use PTO time to supplement lost income due to low census. All hours reported as low census hours will be benefited as worked.

Prior to releasing employees on low census, the manager should attempt to identify alternative work to accommodate FTE hours which may include additional skills training, cross training in another department, special projects or professional development assignments.

9.4 Low Census Call-Back

Any employee who is asked to stay home or is sent home on a regularly scheduled work day due to low census and is placed on standby, shall receive on-call pay in accordance with this Agreement. If called back to work, the employee

shall be compensated as outlined in Article 10.1.2 Call In. Employees subject to low census may volunteer to be assigned to other units if work is available and the employee is qualified.

9.5 Report Pay

Employees who report for work as scheduled (unless otherwise notified in advance) and are immediately released from duty by KVH for low census will receive the following minimum hours of pay at their base rate:

1. An employee scheduled to work an eight (8) hour work period will receive two (2) hours.
2. An employee scheduled to work a ten (10) hour work period will receive three (3) hours.
3. An employee scheduled to work a twelve (12) hour work period will receive four (4) hours.

Documented attempts to reach the employee will be recorded. It shall be the responsibility of the employee to notify KVH of the employee's current address and phone number listed with the Human Resources Department. An employee's failure to do so shall excuse KVH from the notification requirement.

9.6 Layoff and Recall

- A. Layoff Defined: A layoff is defined as a permanent or prolonged reduction in the number of employees or work week hours. Layoffs shall be by job position within a department. KVH retains the right to determine when and if layoffs are necessary as well as the number of employees who will be affected.
- B. Order of Layoff: Agency and temporary personnel, travelers, probationary, per diem employees within the affected department will be released prior to laying off regular full-time or part-time employees, providing, skill, competence, and ability are considered substantially equal in the opinion of KVH. For regular full-time and regular part-time employees, the employee(s) with the least amount of seniority shall be laid off first, providing skill, competence and ability are considered substantially equal in the opinion of KVH. Prior to implementing a layoff, KVH will seek volunteers for layoff from among regular employees in those job titles and departments affected by the layoff. Open (vacant) positions for which affected workers may be qualified for will not

be filled during the period beginning with the notice of layoff to the date of the layoff.

- C. Layoff Options: An employee who is subject to layoff has the following options:
1. Accept a vacant position in accordance with this Agreement.
 2. Be placed on the reinstatement roster for eighteen (18) months in accordance with Section F of this Article.
- D. Notice of Layoff: Employees who are laid off will be given at least thirty (30) calendar days notice of layoff or will receive pay in lieu of notice for all scheduled days in that thirty (30) day period except for unforeseeable conditions preventing such notice which are beyond KVH's control. KVH will also provide the Union with at least thirty (30) calendar days notice prior to layoff of bargaining unit employees. At the same time it provides notice of layoff, KVH will also provide the Union with a list of bargaining unit employees subject to layoff, a seniority roster, and a listing of any vacant bargaining unit positions. The listing of vacant positions shall include department and title, and employment status (FTE and shift). Upon request, KVH and the Union will meet as soon as possible after KVH provides notice of layoff(s) for the purpose of reviewing employees subject to the layoff, the seniority roster, vacant bargaining unit positions, and the order of layoff, provide that such meeting shall not delay the layoffs.
- E. Reassignment: In the event that a layoff results in more or fewer employees being assigned to a shift than required, KVH will seek volunteers to move to a different shift. If there are not volunteers, the least senior employee on the affected shift(s) will be reassigned provided that such reassignment does not result in an inappropriate skill mix on any particular shift.
- F. Reinstatement Roster: Employees who elect to be placed on the reinstatement roster in accordance with this Agreement will remain on the reinstatement roster for the period specified. If the employee's original position in a department is reinstated while the employee is on the reinstatement roster, the displaced employee on the reinstatement roster has first preference in reclaiming the position. Employees on the reinstatement roster may apply for any open position that becomes available. Such employees will have preference over other applicants, but will compete among themselves for open positions based on overall qualifications for the position in accordance with this Agreement. Notwithstanding

the foregoing, transfer within a department will have preference over a recalled employee unless the recalled employee is from the applicable unit and is more senior. If an employee applies for and is offered an open position, s/he must accept it or s/he will be deemed to have resigned. To be considered, application must be made within the applicable posting period in accordance with this Agreement.

- G. Forfeiture of Reinstatement Rights: An employee shall forfeit further reinstatement rights by failing to respond to a job offer from KVH regarding the employee's intent to return to work within seven (7) calendar days after the date the signed receipt of certified mail is received. Recall notice is sent by certified mail to the employee's last address on record with KVH.
- H. Per Diem Work: A Per Diem employee on the reinstatement roster shall be eligible for Per Diem work. Acceptance of Per Diem work while on layoff shall not affect the employee's placement on the reinstatement roster.
- I. Employment Status During Layoff: An employee on the reinstatement roster shall retain employment status and benefits accrued to the date of layoff, but shall not accrue seniority and benefits while on layoff. If reinstated, the employee shall have previously accrued seniority and eligible benefits restored subject to applicable state and federal laws. The employee shall again commence accruing seniority and benefits.

9.7 Insurance Benefits

KVH will pay its share of the insurance premiums for a laid-off employee for the remainder of the premium period (which is currently the calendar month) in which the layoff occurred. Laid-off employees may continue KVH's insurance under applicable Employer COBRA continuation policies while on layoff.

9.8 Department Restructure

In the event of a restructuring of an existing department or unit KVH will determine the number of regular full-time and regular part-time FTEs by shift and work period required for the new or restructured department. KVH will provide at least sixty (60) calendar days notice of such intended change, unless there is an emergency. In the case of an emergency, KVH will provide as much notice as is permissible under the circumstances. During the sixty (60) calendar day notice time frame, KVH will meet with the employees of the affected department(s) to discuss the reconfiguration of the FTEs and work periods in the department(s) and the new work schedules. Employees within a title may bid for the same FTE/same work period they had prior to the restructuring, based on seniority,

providing skill, competence and ability are considered substantially equal in the opinion of KVH. The employer will post a seniority list in the affected department. If through this bid process an employee is unable to retain the same FTE/same work period he/she had prior to the restructuring, he/she may bump to other FTE/work period within the employee's title based on seniority, providing skill, competence and ability are considered substantially equal in the opinion of KVH. If an employee is not assigned a position on the new or restructured department, the employee shall be considered to be laid off and shall have the options identified in Section 9.6 of this Article.

9.9 Hour Reduction

If a permanent reduction in assigned hours of work is determined by KVH to be necessary, KVH will first ask for volunteers from the department and shift where changes are needed. When involuntary reductions are needed, KVH will reduce the hours of the least senior person in the department and shift, subject to patient care needs, staffing considerations and hours of operation.

An employee who is assigned to an FTE status whose hours are involuntarily reduced more than .25 FTE shall have the following options:

- a. The employee shall, by seniority, be offered any vacant positions for which they are qualified prior to the vacant positions being offered to employees not subject to hours reduction.
- b. Accept the reduced hours. An employee choosing this option may elect to be placed on the reinstatement roster in accordance with Section 9.6, above.
- c. If the employee is not the least senior employee, the employee may displace the least senior employee in the job classification in the bargaining unit.

In the event that additional regular hours in a title become available on a continuing basis in the department, KVH will offer the hours of the regular continuing schedule to the most senior employee in the title who has had an FTE reduction under this Section within the preceding twelve (12) months.

14.2 Drug or Alcohol Treatment

KVH and the Union recognize that alcohol and chemical dependency can be chronic and treatable conditions. Subject to applicable regulatory rules, KVH and the Union support efforts which will enable the chemically impaired employee to remain in the medical field so long as performance and quality of care expectations are maintained. Efforts should be made by the employee to identify these conditions and the treatment options at an early stage to prevent or minimize erosion in work performance. KVH and the Union will encourage and support employee participation in a treatment program, including individually tailored return to work agreements, through which employees may seek confidential assistance in the resolution of chemical dependency or other problems which may impact job performance. However, the employee will not be allowed to return to work until certification is presented to Human Resources Director that the employee is capable of performing his or her job. It is the intention of KVH to work with an employee to adjust their work schedule on an ad hoc temporary basis to support the chemically dependent employee's participation in prescribed treatment programs. KVH and the Union acknowledge that employees continue to be responsible for maintaining satisfactory job performance and attendance and quality of care and for compliance with KVH's policies and procedures.

 - c) Review, assessment, and response to staffing concerns presented to the Committee
 - d) The Joint Staffing Committee will produce the Hospital’s annual nurse staffing plan, and present it to the Hospital’s Chief Executive Officer.
 - e) If the staffing plan compiled by the Joint Staffing Committee is not adopted by the Hospital, the CEO shall provide a written explanation of the reasons why to the Committee at the next scheduled Joint Staffing Committee meeting.
 - f) The hospital shall post in a public area on each patient care unit the nurse staffing plan and the nurse staffing schedule for that shift on that unit as well as the relevant clinical staffing for the shift. The staffing plan and current staffing levels must also be made available to patients and visitors upon request.
 - g) Collect and report nurse sensitive quality outcome data as recommended by the committee.

Composition of the Joint Staffing Committee shall be composed of at least 50% nursing staff to include up to 4 representatives to be selected by the Union. Participation in the Joint Staffing Committee will be on scheduled work time and compensated at the appropriate rate of pay. Committee members shall be relieved of all other work duties during the meeting of the committee.

The Hospital will not retaliate against or engage in any form of intimidation of an employee for performing any duties or responsibilities in connection with the Joint staffing Committee, or any employee who informs the Joint Staffing Committee of the Hospital administration of his/her concerns about nurse staffing.

ARTICLE 18: GRIEVANCE PROCEDURE

18.1 Grievance Defined

A grievance is defined as an alleged breach of the terms and conditions of this Agreement. Grievances must be brought by individual employees. Resolutions to grievances that impact more than one employee shall be applied consistently with, and subject to, other areas of this agreement.

18.2 Time Limits

Time limits set forth in the following steps refer to calendar days and may only be extended by mutual written consent of KVH and the Union. A time limit which ends on a Saturday, Sunday or a holiday as designated in this Agreement shall end at 4:30 p.m. on the next following business day. If the grievance is not presented within fourteen (14) calendar days from the occurrence or knowledge of its occurrence said grievance shall be waived and forever lost. Failure of an employee to file a grievance on a timely basis or to timely advance a grievance in accordance with the time limits set forth below will constitute withdrawal of the grievance. Failure of KVH to comply with the time limits set forth below shall result in the grievance being automatically elevated to the next step through Step 3 without any action necessary on the part of the employee. Requests for arbitration must be specifically requested as provided for in this Agreement. No grievance, request to move to another step, grievance response, or request for Arbitration may be submitted via email only. The time limits set forth in this grievance procedure may only be extended by mutual agreement in writing between the Union and KVH.

18.3 Grievance Procedure

A grievance shall be submitted in accordance with the following procedure:

Step 1. Employee and Department Director/Designee.

If an employee has a grievance, the employee shall meet with the employee's Department Director/Designee and present the grievance in writing within fourteen (14) calendar days from the date the employee was or should have been aware that the grievance existed. If the grievance is not presented within fourteen (14) calendar days from its occurrence or knowledge of its occurrence said grievance shall be waived and forever lost. A Union Delegate shall be present if requested by the employee. If a Union Delegate/Representative participates in the grievance meeting, the Human Resources Director or designee may also be present at this Step 1 meeting. Upon receipt thereof, the Director/Designee shall attempt to resolve the problem. It is the desire of the parties to this Agreement that grievances be adjusted informally whenever possible and at the first level of supervision. The Director/Designee shall meet with the employee and delegate or union delegate at the first step of the process and respond in writing to the employee within ten (10) calendar days following receipt of the grievance indicating that the matter has been mutually resolved or the grievance is denied. The employee will sign any response confirming that the matter has been mutually resolved.

Step 2. Employee, Union Delegate/Representative and Human Resources.

If the grievance is not resolved to the employee's satisfaction at Step 1, the employee shall present a written grievance to Human Resources within seven (7)

calendar days of the Director's decision. The grievance shall specifically include a description of the alleged breach, articles violated and specific resolution desired. A meeting between the employee (and a Union Delegate/Representative, if requested by the employee) and the Human Resources Director shall be held within ten (10) days for the purpose of resolving the grievance. The Human Resources Director shall respond in writing to the employee within fourteen (14) calendar days following the grievance meeting indicating that the matter has been mutually resolved or the grievance is denied. The employee will sign any response confirming that the grievance has been mutually resolved.

Step 3. Employee, Union Delegate/Representative and CEO.

If the grievance is not resolved at Step 2, the employee shall present the written grievance within seven (7) calendar days of the Step 2 response to the KVH CEO or designee. Within ten (10) calendar days thereafter, there shall be a meeting with the KVH CEO (or designee), and the Human Resources Director may be present. The CEO, or designee, will issue a written response within fourteen (14) calendar days following the meeting.

Step 4. Mediation (optional).

Both parties must agree to mediation in writing. If one or both parties do not agree to mediation then the union may proceed to Step five (5) within seven (7) calendar days of receiving notice from the employer. If the parties agree to mediation, the following shall apply:

The written grievance may be submitted by the union within fourteen (14) calendar days after the step three (3) decision to the PERC for mediation.

If mediation fails to resolve the grievance, the grievance may be submitted by the union to arbitration. Such submittal must be within fourteen (14) calendar days from any of the following: the mediator's impasse, a written declination by a party to mediate, or the step three (3) response if neither the union nor the employer requested mediation. The submittal must be in writing and served on the other party.

Step 5. Arbitration.

If the grievance is not settled on the basis of the foregoing procedures, and if the grievant and the Union have complied with the specific time limitations specified in Steps 1, 2, 3 and 4 herein, the Union may submit the issue in writing to arbitration within fourteen (14) calendar days following the date the response was sent to the Union. If KVH and the Union fail to agree on an arbitrator, a list of eleven (11) arbitrators, who are attorneys, or who are on the PERC dispute resolution list or who are members of the National Academy of Arbitrators, shall be requested from the Federal Mediation and Conciliation Service. The parties shall thereupon alternate in striking a name from the panel until one name remains. The person whose name remains shall be the arbitrator. Any arbitrator

accepting an assignment under this Article agrees to issue an award within sixty (60) calendar days of the close of the hearing or the receipt of post hearing briefs, whichever is later, The arbitrator's decision shall be final and binding on all parties. The arbitrator shall have no authority to add to, subtract from, or otherwise change or modify the provisions of this Agreement, but shall be authorized only to interpret existing provisions of this Agreement as they may apply to the specific facts of the issue in dispute. The Arbitrator shall have no authority to award punitive damages. Each party shall bear one half (1/2) of the fee of the arbitrator and any other expense jointly incurred incident to the arbitration hearing. All other expenses including but not limited to legal fees, deposition costs, witness fees, and any and every other cost related to the presentation of a party's case in this or any other forum, shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other party.

ARTICLE 19: UNINTERRUPTED PATIENT CARE

It is recognized that KVH is engaged in a public service requiring continuous operation and it is agreed that recognition of such obligation of continuous service is imposed upon both the employee and the Union. During the term of this Agreement, neither the Union nor its members, agents, representatives, employees or persons acting in concert with them shall incite, encourage or participate in any strike, picketing, walkout, slowdown or other work stoppage of any nature whatsoever. In the event of any strike, picketing, walkout, slowdown or work stoppage, or a threat thereof, the Union and its officers will do everything within their power to end or avert same. Any employee participating in any strike, picketing, walkout, slowdown or work stoppage will be subject to immediate dismissal. KVH agrees that during this same time period, there shall be no lockouts.

ARTICLE 20: COMPLETE AGREEMENT

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after exercise of that right and opportunity are set forth in this Agreement. Therefore, KVH and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may have not been within the knowledge or contemplation of any or all of the parties at the time they negotiated or signed this Agreement. The parties further agree, however, that this Agreement may be amended by the mutual consent of the parties, in writing, at any time during its term.

ARTICLE 21: GENERAL PROVISIONS

21.1 State and Federal Laws

This Agreement shall be subject to all present and future applicable federal and state laws, executive orders of the President of the United States or the Governor of the State of Washington, and rules and regulations of governmental authority. Should any provision or provisions become unlawful by virtue of the above or by declaration of any court of competent jurisdiction, such action shall not invalidate the entire Agreement. Any provisions of this Agreement not declared invalid shall remain in full force and effect for the term of the Agreement. If any provision is held invalid, KVH and Union shall enter into immediate negotiations for the purpose, and solely for the purpose, of arriving at a mutually satisfactory replacement for such provision.

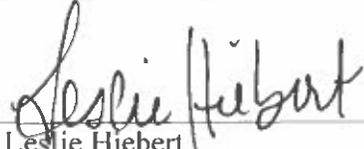

21.2 Amendments

Any change or amendments to this Agreement shall be in writing and duly executed by the parties hereto.

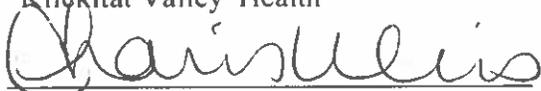

Article 22: DURATION

This Agreement shall be effective upon ratification of this Agreement by KVH and the Union and shall remain in full force and effective to and including July 1, 2024. Should either part desire to modify or terminate this Agreement on July 1, 2024, it shall serve written notice upon the other party at least ninety (90) days prior to that date.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed this 30th day of June, 2022.
