

OUR UNION AT EVERGREEN IS GROWING EVEN LARGER!

On February 27, Patient Transport Technicians joined together with union colleagues from across job classes to deliver a notice to the Evergreen management that they are joining SEIU Healthcare 1199NW! Welcome our new union siblings – let's show them all the support they need while they stand up for their voice at the table.

"By joining our coworkers in SEIU Healthcare 1199 NW, we've found a collective voice that can represent our concerns and aspirations. We've worked hard to keep things moving, and now as part of this union, we can ensure that we have fair treatment, safer working conditions, and the respect we deserve. Together, we're not just workers; we're a united force for change, and we're ready to make a difference!" **-Hilda Enciso, Patient Transport Technician**

"On behalf of all my union coworkers at Evergreen, we welcome you to our union. Having a union means having a collective voice, and we commit to having your back as you bargain into the contract." **-Melissa Russell, HUC, Ortho, Spine, Neurology**

IMMIGRATION RESOURCES: PREPARING FOR AND RESPONDING TO INCREASED ATTACKS ON IMMIGRANT WORKERS

SEIU Healthcare 1199NW stands together for **ALL** workers. No matter where we come from or what language we speak, the working class shares the same goals: living wages, quality healthcare, and a better future for our families.

By standing in solidarity with our immigrant brothers and sisters, we defend everyone's right to fair work and a safe workplace in Washington, Montana and across our country.
