

# LIFELONG: Show Us the Money!

In December 2025, our Bargaining Team brought our wage proposals for our next contract to the table. It's been 3 months, and we have yet to see any wage proposals from management.

Our Bargaining Team is centering our top priority: higher wages. Come to our Bargaining Update Session to learn more about our wage proposals and what it will take to make management come to the table to negotiate on wages!

## BARGAINING UPDATE SESSIONS:
